At the appropriate place, insert the following:

SEC. . SENSE OF THE SENATE REGARDING TAX RELIEF FOR ELEMENTARY AND SEC- ONDARY EDUCATORS.

(a) **FINDINGS.**—The Senate finds the fol-

(1) The average salary for an elementary and secondary school teacher in the United States with a Master's degree and 16 years of experience is approximately \$40,582.

(2) The average starting salary for teachers in the United States is \$26,000.

(3) Our educators make many personal and financial sacrifices to educate our youth.

(4) Teachers spend on average \$408 a year, out of their own money, to bring educational supplies into their classrooms.

(5) Educators spend significant money out of their own pocket every year on professional development expenses so they can better educate our youth.

(6) Many educators accrue significant higher education student loans that must be repaid and whereas these loans are accrued by educators in order for them to obtain degrees necessary to become qualified to serve in our nation's schools.

(7) As a result of these numerous out of pocket expenses that our teachers spend every year, and other factors, 6% of the nation's teaching force leaves the profession every year, and 20% of all new hires leave the teaching profession within three years.

(8) This country is in the midst of a teacher shortage, with estimates that 2.4 million new teachers will be needed by 2009 because of teacher attrition, teacher retirement, and increased student enrollment.

(9) The federal government can and should play a role to help alleviate the nation's teaching shortage.

(10) The current tax code provides little recognition of the fact that our educators spend significant money out of their own pocket to better the education of our children.

(11) President Bush has recognized the importance of providing teachers with additional tax relief, in recognition of the many financial sacrifices our teachers make.

(b) **SENSE OF THE SENATE.**—It is the sense of the Senate that Congress and the President should—

(1) should pass legislation providing elementary and secondary level educators with additional tax relief in recognition of the many out of pocket unreimbursed expenses educators incur to improve the education of our Nation's students.

SA 384. Mr. MCCONNELL (for himself, Mr. MILLER, Mr. SESSIONS, and Mr. INHOFE) proposed an amendment to amendment SA 358 proposed by Mr. JEFFORDS to the bill (S. 1) to extend programs and activities under the Elementary and Secondary Education Act of 1965; as follows:

At the end, add the following:

TITLE ____—TEACHER PROTECTION

SEC. ____ 1. TEACHER PROTECTION.

The Act (20 U.S.C. 6301 et seq.) is amended by adding at the end the following:

"TITLE ____—TEACHER PROTECTION

"SEC. ____ 1. SHORT TITLE.

"This title may be cited as the 'Paul D. Coverdell Teacher Protection Act of 2001'.

"SEC. ____ 2. FINDINGS AND PURPOSE.

"(a) **FINDINGS.**—Congress makes the following findings:

"(1) The ability of teachers, principals and other school professionals to teach, inspire and shape the intellect of our Nation's elementary and secondary school students is deterred and hindered by frivolous lawsuits and litigation.

"(2) Each year more and more teachers, principals and other school professionals face lawsuits for actions undertaken as part of their duties to provide millions of school children quality educational opportunities.
